14th December 2020

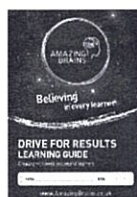

Dear Parent/Guardian,

As your 3rd year daughter works toward her Junior Cycle exams, the school has organised a Study & Revision Skills seminar for the year group. The **Drive for Results** seminar is being delivered by Amazing Brains who have worked with over 350,000 students, parents and teachers throughout Ireland. The following themes are covered:

- **Learning Preferences/Multiple Intelligences and their link to Study**
- **Memory Techniques**
- **Time Management**
- **Revision Strategies**
- **Goal Setting and Planning**

We plan to hold the workshop on Friday, January 15th and we are asking for a contribution of €7 from each parent. This payment can be made online via Parents VShare under **3rd Year Amazing Brains Study Skills Seminar**. If it is not possible for you to make payment online, it can be brought in directly to Ms Egan or Ms Loughnane in an envelope with the student's name on it. The deadline for making payment is Friday, December 18th.

**** The students will receive a Learning Resource Guide with follow-up activities and an A3 Exam Countdown Planner.**

We very much appreciate your support on this and assure you that we will continue to provide the very best opportunities for your daughter.
